

Susquehanna University Timothy J. Piazza Antihazing Report

2022-2023

Subject of Report	Date of Initial Report	Description	Date of Charge(s)	Date of Resolution
Tau Kappa Epsilon	2/13/2023	<p>A Susquehanna University student reported an allegation of possible hazing during a recruitment event for potential new members including uncomfortable conditions and concerning questions during an interview process.</p> <p>Result of Investigation: Campus Safety in partnership with Student Life interviewed multiple students including chapter leadership and potential new members. Students had similar accounts of the event including acknowledging the interview process at the event, awkward ambient lighting directed at the potential new members, asking an inappropriate question to a few potential new members, and logistical organization of the event that led to some potential new members waiting multiple hours for their interview to begin. As a result of the interviews the chapter was charged with Violating the Anti-Hazing Policy (outlined in the Student Handbook).</p> <p>Penalties imposed: Chapter leadership took responsibility for the charge and the sanction of Disciplinary Probation from February 22, 2023 through April 14, 2023 and educational sanctions were imposed.</p>	February 22nd, 2023	May 5th, 2023
